A well deserved win for the Ladies in this 4 ball, better ball match. In the top match Ray and Capt had to play par golf to keep the Ladies at bay and were 2 up with 2 to play when the ladies steamed on to halve the match with the last shot of the match. A special mention for Jo Underwood who had a wonderfully consistent round, making her 32 handicap a bit of mystery!

Things seemed to be going swimmingly as the next 3 matches yielded 2 wins and a half, but the bottom of the order was totally under the control of the Ladies.
