## Lydd Vets 6 Littlestone Warren Vets 0

Safe to say that this was not a good result, indeed a whitewash. We were up against a good Lydd team who showed that local knowledge was a key ingredient to success. They knew where to place the ball, the places to avoid at all costs, and how to read their greens. One example sums this up in my match on the 18<sup>th</sup> hole – their player who was recently cut from 24 to 22 hit a decent drive but found a large bunker 180 yards short of the green. An 8 iron finds him on the green and a single putt confirmed the birdie. We were in line for pars but it's hard to compete with that.

The upside was that the team enjoyed the breakfast start, enjoyed the challenge of the Lydd course and enjoyed the good weather and good companionship. Better luck next time!

Captain & Graham Todd lost 6&5, Barry and Gerald went down 5&4, Clive & Bryon and Bob & Eric Whale both lost 4&3, Roy & Peter Dry lost 4&2 while Vice Capt David & Brian Jagers went down 7&6.
